Enjoy the magical thrill of tree climbing. Our sessions are fantastic fun and give you a great sense of achievement – a memorable adventure to share with your friends and family. Our magnificent tree is in historic Appley Park, just a stone's throw from the golden sands of Appley Beach.

“ Since we started recreational tree climbing in the UK in 2005 we've guided thousands of people into the canopy, climbed trees all over the world and won awards for what we do.

Our favourite things are trees, tree climbing, cups of tea and flapjack – we can't wait to welcome you to the Goodleaf Experience!
